

ENVIRONMENT POLICY

Ryan Wilks Pty Ltd. is committed to providing outstanding service in Electrical and Mechanical contracting for commercial and industrial communicative and institutional projects in the Building and Construction Industry.

Our objective is to manage our projects with a constant awareness of the impacts on natural, built and human environments.

In our commitment to continually improving environmental management and the prevention of pollution we shall:

- Communicate the company's environmental position with regard to the project operations to employees and subcontractors,
- Establish measurable objectives and targets to eliminate environment related incidents and reduce our impact on the environment,
- Comply with all relevant legislation and regulations,
- Communicate our commitment and make this policy available to interested parties, including the public,
- Ensure our employees and subcontractors use appropriate work practices.

To achieve the above, we will provide the necessary resources, skills and training to assist all stakeholders to work in accordance with our management system developed in accordance with ISO 14001.

This Policy will be reviewed May 2027

Ron Ryan
