

TRAFFIC MANAGEMENT POLICY

Ryan Wilks Pty Ltd. recognises the importance of maintaining and enhancing the normality of traffic operations in work areas where pedestrians and vehicles may interact for the benefit of our customers, employees, shareholders and the community. Our commitment is to manage traffic in a responsible manner.

Specifically Ryan Wilks Pty Ltd is committed to:

- Complying with all relevant legislation, regulations, codes of practice and contractual conditions.
- Preventing hazards to the community by activities over which we have control.
- Conducting business with suppliers who also have a commitment to responsible traffic management.
- Continual Auditing of the plan and associated traffic control check list to ensure conformity.
- Continually improving our traffic control management performance by regular reviews and setting realistic objectives and targets.

To achieve our Policy goals, we will plan manage our activities in accordance with best practice traffic control management principals.

Compliance with this Policy is mandatory for all employees and contractors and is a condition of employment and contract. Through training and education all employees and contractors will be assisted to meet the objectives of this Policy.

This policy will be formally reviewed again May 2027
